

New Homes for Small Sites

Raglan Street Estate

Newsletter June 2023

Tell us your priorities for designs of new homes on the estate

Following a cabinet decision in February 2023, Camden Council's New Homes for Small Sites team want to work alongside you to develop a planning application for **approximately 14-18 council and/or Camden Living Rent homes**.

Thank you to the 19 residents and neighbours for attending our May drop in.

Did you miss it?

Conversations with Parking and Garage Users

We have written to residents to invite you to a one-to-one conversation about their parking and storage needs if impacted by building new homes in these locations.

If you have not yet arranged your conversation please contact Hugh Robinson on:

Understanding your priorities

Whilst the Cabinet decision to prepare a planning application for new Council and Camden Living homes is set, your feedback can influence the designs as they develop. We will work closely with you and housing management to identify improvements that can be made. We asked for your priorities for these themes and this is a summary of what we heard:

Landscape and playspaces

Play: improve setting and quality of the play space
Greening: improve planting within the estate

Facilities

Storage: providing facilities for residents

Access and movement

Security: making the estate more secure and the open spaces safer for the residents

Urban design

Heights: be sensitive to surrounding buildings and try to maintain street setting

Hearing your feedback

There was some support for more affordable homes in the area, however there was concern about the impact of height on surrounding buildings and ensuring that the design is of a high quality.

Concerns about construction disruption were raised and the need for a robust Construction Management Plan with input from local residents was identified.

We are working with our Estates Team to address specific concerns about maintenance and repairs; contact details are provided for reporting repairs on the other side of this newsletter.

What's next?

Door knocking

From 19 June – 30 June we will be door knocking on your estate to talk to residents we did not speak to at the drop ins. We will be collecting feedback on the key themes and any other comments you have. You can comment online via our new website.

Meet the designers

We are in the process of finding a design team to work with us, residents and neighbours. When they are appointed we will arrange an event in late summer 2023.

Indicative timeline*

*Indicative timeline may be subject to change

There are no detailed designs yet and we want to carry on talking to residents and neighbours as these are developed

We will be focussing on homes in this location - area behind Monmouth House. We will not be building on the orchard.

Repairs

Our repairs team work hard to keep your council homes safe, warm and in good repair all year round. You should report any damp and mould in your council homes straight away.

If your repair is an emergency please call 020 7974 4444 option 3 then 1

How to report a repair online Log in or sign up at: camden.gov.uk/camdenaccount

- Click on 'Housing' then 'Request a repair'

Contact via SMS

You can now report non-emergency repairs by texting **07360 277909** in your preferred language. Text us any time, and we will reply from 8am to 6pm Monday to Friday excluding Bank Holidays.

Contact using live chat

If you have a question or need advice about a housing repair, you can talk to us instantly and upload pictures of your repair. You can get straight through to a real person to ask your question or book your repair, available from Monday to Friday, 8am to 6pm
